Dear Jared:

We are pleased to offer you an employment position with Reika Thermal, Inc., a Delaware corporation (the “Company”), in accordance with the terms and conditions set forth below in this offer letter (this “Offer Letter”). In particular, this offer of employment is conditioned upon the satisfactory completion of certain requirements, as more fully explained below in this Offer Letter.

1. Position; Duties. You will serve the Company on a full-time basis as R&D Mechanical Engineer. Subject to Section 6 below, your employment with the Company will begin on or around August 19, 2026 (your actual start date shall be referred to herein as the “Start Date”); and your position with the Company will be exempt, which means that you are not entitled to overtime pay. In your capacity as R&D Mechanical Engineer, you will perform duties and responsibilities that are reasonable and consistent with such position as may be assigned to you from time to time. You will report directly to the Company’s Chief Executive Officer, or an individual designated by the Company’s Chief Executive Officer. You agree to devote your full business time, attention and best efforts to the performance of your duties and to the furtherance of the Company’s interests during your employment in accordance with the terms set forth in this Offer Letter.

2. Compensation and Benefits. In consideration of your services, you will receive the following compensation and benefits in accordance with the Company’s standard practices and subject to all withholdings and deductions as required by law:

a. Compensation. Effective as of the Start Date, your base compensation will be One Hundred and Thirty-Five Thousand Dollars (\$135,000) per year (the “Compensation”), payable in accordance with the standard payroll practices of the Company. In the event that your employment status with the Company changes, the Compensation shall be adjusted and prorated accordingly, as determined by the Company’s Board of Directors (the “Board”).

b. Benefits. If you accept this offer and begin employment with the Company, then you will become eligible to participate in any of the Company’s applicable benefit plans and programs in effect from time to time (in accordance with and subject to the eligibility and other provisions of such plans and programs), as determined by the Board in its sole and absolute discretion. Your participation in any benefit plans and programs in effect from time to time is

subject to the prior approval of the Board in its sole and absolute discretion. The Company reserves the right to amend, modify or terminate any of its benefit plans and programs at any time and for any reason.

c. **Paid Time Off.** During your employment with the Company, you will be eligible to earn paid time off in accordance with the Company's PTO policy as in effect from time to time.

d. **Equity Compensation.** If you accept this offer and begin employment with the Company, then, subject to proper approval by the Board, the Company will grant to you under the Company's equity incentive plan an option (the "Option") to purchase up to Forty Thousand (40,000) shares of the Company's Common Stock (the "Shares"), at an exercise price per Share equal to the fair market value of the Company's Common Stock as determined by the Board on the date of grant, pursuant to the terms of a written stock option agreement (the "Equity Agreement"), to be entered into between you and the Company. The Equity Agreement will provide, among other things, that, subject to your continuous business relationship with the Company, the Shares will begin vesting as of the Start Date (the "Vesting Start Date"), as follows: One-fourth (1/4) of the Shares shall vest on the first (1st) anniversary of the Vesting Start Date and one-forty-eighth (1/48) of the Shares shall vest thereafter on each month anniversary of the Vesting Start Date, such that all of the Shares shall have vested four (4) years after the Vesting Start Date. In the event of any conflict between the terms of this Offer Letter and the terms of the Equity Agreement, the terms of the Equity Agreement shall prevail.

e. **Business Expenses; Equipment.** The Company will reimburse you for reasonable and necessary out-of-pocket business expenses that are pre-authorized in writing by the Company, in each case in accordance with the Company's then applicable expense reimbursement policies and procedures. The Company may provide to you from time to time certain equipment for your business use. You acknowledge and agree that such equipment shall remain the property of the Company at all times, and will be subject to immediate return to the Company upon the termination of your employment with the Company or as requested by the Company.

3. **Section 409A.** This Offer Letter is intended to comply with Section 409A of the Internal Revenue Code ("Section 409A"), or an exemption thereunder, and shall be construed and administered in accordance with Section 409A. Notwithstanding anything herein or otherwise to the contrary, payments provided under this Offer Letter only may be made upon an event and in a manner that complies with Section 409A or an applicable exemption. Any payments under this Offer Letter, which may be excluded from Section 409A either as separation pay due to an involuntary separation from service or as a short-term deferral, shall be excluded from Section 409A to the maximum extent possible. For purposes of Section 409A, each installment payment provided under this Offer Letter shall be treated as a separate payment. Any payments to be made under this Offer Letter upon a termination of employment only shall be made upon a "separation from service" under Section 409A. Notwithstanding the foregoing, the Company makes no representations and warranties that the payments and benefits provided under this Offer Letter comply with Section 409A and in no event shall the Company be liable for all or any portion of any taxes, penalties, interest or other expenses that may be incurred by you on account of non-

compliance with Section 409A. Notwithstanding anything herein or otherwise to the contrary, if any payment or benefit provided to you in connection with termination of employment is determined to constitute “nonqualified deferred compensation” within the meaning of Section 409A and you are determined to be a “specified employee” as defined in Section 409A(a)(2)(b)(i), then such payment or benefit shall not be paid until the first payroll date to occur following the six (6)-month anniversary of your termination date (the “Specified Employee Payment Date”) or, if earlier, on the date of your death. The aggregate of any payments that would otherwise have been paid before the Specified Employee Payment Date shall be paid to you in a lump sum on the Specified Employee Payment Date; and, thereafter, any remaining payments shall be paid without delay in accordance with their original schedule.

4. Employment Policies; Proprietary Information. You will be subject to all applicable employment and other policies of the Company, as outlined in the Company’s employee handbook and elsewhere, as applicable, including, without limitation, any policies established by the Board from time to time. The terms and conditions of your employment set forth in this Offer Letter override anything previously provided or said to you during any other discussions or interactions about your employment or involvement with the Company. Concurrently with your execution of this Offer Letter and without limiting the generality of the foregoing, you will execute and deliver the Company’s standard form of Proprietary Information and Inventions Assignment Agreement (attached hereto as Exhibit A, the “Proprietary Information Agreement”). In the event that the terms and conditions set forth in this Offer Letter conflict with the terms and conditions set forth in the Proprietary Information Agreement, the terms and conditions most favorable to the Company shall govern and control.

5. At-Will Employment. Notwithstanding anything herein or otherwise to the contrary, your employment with the Company shall be at-will, meaning that you or the Company may terminate your employment relationship with the Company, and all related compensation and other rights and benefits, at any time and for any reason; provided that you shall be required to give to the Company at least Thirty (30) days’ advance written notice of any termination of your employment. Providing notice does not create an express or implied contract for continued employment or employment for a fixed period, including during the applicable notice period. Although your duties, title, compensation and benefits, as well as the Company’s employment policies and procedures, may change from time to time, the “at will” nature of your employment may only be changed in an express agreement signed by you and an authorized representative of the Company. The Company reserves the right, in its sole and absolute discretion, to prospectively modify or rescind any of the terms set forth in this Offer Letter at any time during the course of your employment, to the extent permitted by applicable law.

6. Verification of Right to Work in U.S.; Reference Checks. This offer of employment is contingent upon the following: satisfactory verification of your right to work in the United States, as demonstrated by your completion of a Form I-9 upon hire and submission of acceptable documentation (as noted in the Form I-9) verifying your identity and work authorization within three (3) days of starting employment; satisfactory completion of a background investigation, for which the required notice and consent forms will be provided to you; and satisfactory completion

of reference checks. This offer of employment will be withdrawn if the foregoing conditions are not satisfied. Please do not resign from your current job until you have received confirmation from the Company that such conditions have been satisfied.

7. **No Conflicting Obligations.** By accepting this offer, you confirm and represent that you are able to accept this job and carry out the work that it would involve without breaching any legal restrictions on your activities, such as restrictions imposed by current or former employer(s) or other contractual obligations. You also confirm and represent that you will inform the Company about any such restrictions and provide the Company with as much information about them as possible, including any agreements between you and your current or former employer(s) or other third parties describing such restrictions on your activities. You further confirm and represent that you will not remove or take any documents or proprietary data or materials of any kind, electronic or otherwise, with you from your current or former employer(s) or other third parties to the Company without prior written authorization from such current or former employer(s) or other third parties, as applicable. If you have any questions about the ownership of particular documents or other information, then you will need to discuss such questions with your current or former employer(s) or other third parties, as applicable, before removing or copying such documents or information.

8. **Waiver of Jury Trial.** Each party shall have the right to pursue injunctive or other equitable relief at any time, from any court of competent jurisdiction. YOU UNDERSTAND AND AGREE THAT EACH PARTY HEREBY WAIVES ALL RIGHTS TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING THAT PERTAINS DIRECTLY OR INDIRECTLY TO THIS OFFER LETTER, THE PROPRIETARY INFORMATION AGREEMENT OR OTHER AGREEMENT THAT, IN ANY WAY, ARISES OUT OF OR RELATES TO YOUR EMPLOYMENT WITH THE COMPANY OR ANY OTHER RELATIONSHIP BETWEEN YOU AND THE COMPANY.

9. **Miscellaneous.** This Offer Letter, together with the Proprietary Information Agreement, contains all of the understandings and representations between the parties pertaining to the subject matter hereof and supersedes all prior and contemporaneous understandings, agreements, representations and warranties, both written and oral, with respect to such subject matter. This Offer Letter shall be governed by the laws of the State of California without regard to conflicts-of-law principles. In the event that one or more provisions of this Offer Letter are held to be illegal or unenforceable under applicable law, such illegal or unenforceable portion(s) shall be limited or excluded from this Offer Letter to the minimum extent required and the balance of this Offer Letter shall be interpreted as if such portion(s) were so limited or excluded and shall be enforceable in accordance with its terms. This Offer Letter may be executed in counterparts and via facsimile or other electronic means, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.

PROPRIETARY INFORMATION AGREEMENT

In consideration of my Engagement (as defined below in Paragraph 1) with Reika Thermal, Inc., a Delaware corporation (the “Company”), and other valuable consideration, I agree as follows:

1. Engagement. For purposes of this Proprietary Information Agreement (this “Agreement”), my “Engagement” means my engagement as an employee, director, officer and/or consultant of the Company.

2. Proprietary Information.

(a) For purpose of this Agreement, “Proprietary Information” means any and all information, ideas and materials, in whatever form, tangible or intangible, pertaining in any manner to the business of or used by the Company (including, without limitation, any person or entity owned by, controlled by or affiliated with the Company) or to any other person or entity to whom or which the Company owes a duty of confidentiality, and includes, but is not limited to, any trade secret, technical know-how, information, knowledge or data relating to the Company’s past, present, planned or foreseeable business, as more fully described in Exhibit A.

(b) Often, Proprietary Information will be stamped or otherwise marked “Confidential,” “Proprietary,” or with some similar designation. If any information or material is not so marked, however, and it meets the definition in the foregoing paragraph 2(a), it is still Proprietary Information. If I am uncertain as to whether particular information or materials are Proprietary Information, I will request the Company’s written opinion as to their status. I understand that Proprietary Information does not include any information, idea or material (i) that is disclosed to me without confidential or proprietary restriction by a third party who rightfully possesses the information, ideas or materials (without confidential or proprietary restriction) and did not learn it, directly or indirectly, from the Company, (ii) that was rightfully in my possession or part of my general knowledge prior to my Engagement, and (iii) that is or becomes publicly known or is legitimately in the public domain through lawful means and without breach of this Agreement by me. Any information, idea or material will not be considered to be publicly known or in the public domain merely because it is embraced by more general information in my prior possession or the possession of others, or merely because it is expressed in public literature in general terms. Proprietary Information also does not include my general knowledge and skill obtained during the course of my Engagement.

(c) I also acknowledge that all information generated, received or maintained by or for me on the premises or equipment of Company (including, without limitation, computer systems and electronic or voice mail systems) is the sole property of Company, and I hereby waive any property or privacy rights I may have with respect to such information.

3. Restrictions on Use and Disclosure. I will not, during or at any time after the termination of my Engagement with the Company, use or reproduce any Proprietary Information, except in the course of performing my duties as an employee, director, officer and/or consultant of the Company. I also will not disclose or deliver, directly or indirectly, any Proprietary Information to any person or entity, except in the course of performing my duties as an employee, director, officer and/or consultant of the Company and with the Company’s consent, obtained in accordance with the Company’s procedures. I will use my best efforts to prevent the unauthorized reproduction, disclosure or use of Proprietary Information by others.

4. Procedure for Obtaining Authorization for Information Disclosure. I understand that from time to time the Company may issue written instructions explaining how personnel may obtain authorization for the disclosure of Proprietary Information outside of the Company, advice as to the confidential status of information, and approval to enter into non-disclosure agreements. I agree to familiarize myself with these instructions promptly when they are issued or revised and to follow them.

5. Return of Materials. Upon termination of my Engagement with the Company for whatever reason, or at any other time at the Company’s request, I will immediately deliver to the Company all documents, data, notebooks, records and other information (including any copies) in my possession or under my control, whether prepared by me or by others, that contain, constitute or relate in any way to Proprietary Information. I further agree not to use thereafter any Proprietary Information for my benefit or the benefit of others.

6. Creations.

(a) I hereby assign, and agree to assign to the Company, without additional compensation, my entire right, title and interest in and to all "Creations" (which term will include, but not be limited to, creations, inventions, works of authorship, ideas, processes, technology, formulas, software programs, writings, designs, discoveries, modifications and improvements), whether or not patentable or reduced to practice and whether or not copyrightable, that relate in any manner to the actual or demonstrably anticipated business or research and development of the Company or its affiliates, and that are made, conceived or developed by me (either alone or jointly with others), or result from or are suggested by any work performed by me (either alone or jointly with others) for or on behalf of the Company or its affiliates, (i) during the period of my Engagement with the Company, whether or not made, conceived or developed during regular business hours or (ii) after termination of my Engagement if based on Proprietary Information. I agree that all such Creations are the sole property of the Company or any other entity designated by it, and, to the maximum extent permitted by applicable law, any copyrightable Creation will be deemed a work made for hire. To the extent permitted by applicable law, any assignment of copyrights under this Agreement includes all rights of paternity, integrity, disclosure and withdrawal and any other rights that may be known as "moral rights," "artist's rights," "droit moral" or the like (collectively, "Moral Rights"). I hereby irrevocably waive, to the extent permitted by applicable law, any and all claims that I may now or hereafter have in any jurisdiction to any Moral Rights with respect to Creations. To the extent I retain any such Moral Rights under applicable law, I hereby ratify and consent to any action that may be taken with respect to such Moral Rights by or authorized by the Company, and I agree not to assert any Moral Rights with respect thereto. I will confirm any such ratifications, consents and agreements from time to time as requested by the Company. I UNDERSTAND THAT THIS PARAGRAPH DOES NOT APPLY TO ANY CREATION THAT QUALIFIES FULLY UNDER THE PROVISIONS OF SECTION 2870 OF THE LABOR CODE OF THE STATE OF CALIFORNIA, A COPY OF WHICH IS ATTACHED TO THIS AGREEMENT AS EXHIBIT B, OR THE CORRESPONDING PROVISIONS OF APPLICABLE LAW.

(b) I agree to disclose promptly and fully in writing to the Company's Chief Executive Officer, President, Chief Financial Officer or Secretary and to hold in confidence for the sole right, benefit and use of Company, any and all Creations made, conceived or developed by me (either alone or jointly with others) during my Engagement with the Company, or within two (2) years after the termination of my Engagement if based on Proprietary Information, regardless of whether I believe the Creation qualifies fully under the provisions of Section 2870(a) of the California Labor Code (or the corresponding provisions of applicable law). Such disclosure will be received and held in confidence by the Company. In addition, I agree to keep and maintain adequate and current written records on the development of all Creations made, conceived or developed by me (either alone or jointly with others) during my period of Engagement or during the two-year period following termination of my Engagement, which records will be available to and remain the sole property of the Company at all times.

(c) I agree that I will, at the Company's request, promptly execute a written assignment of title for any Creation required to be assigned by this Paragraph 6. I further agree to perform, during and after my Engagement, all acts deemed necessary or desirable by the Company to permit and assist it, at its expense, in obtaining and enforcing the full benefits, enjoyment, rights and title throughout the world in the Creations assigned to the Company pursuant to this Paragraph 6. Such acts may include, but are not limited to, execution of documents and assistance or cooperation in legal proceedings. I also hereby irrevocably appoint the Company and any of its officers as my agent and attorney in fact to undertake such acts in my name, and I waive and quitclaim to Company any and all claims of any nature whatsoever that I may now have or may later have for infringement of any intellectual property rights in the Creations. The Company will compensate me at a reasonable rate for time actually spent by me at the Company's request on such assistance at any time following termination of my Engagement with the Company.

7. Prior Creations. All inventions, works of authorship, ideas, processes, technology, formulas, software programs, writings, designs, discoveries, modifications, improvements or other creations, if any, that I made, conceived or developed (either alone or jointly with others) prior to my Engagement (collectively, "Prior Creations") are excluded from the scope of this Agreement. Set forth on Exhibit C attached hereto is a complete list of all such Prior Creations that are owned by me, either alone or jointly with others. I represent and covenant that such list is complete, and I understand that, by not listing an invention, work of authorship, discovery, modification, improvement or other creation on Exhibit C, I am acknowledging and agreeing that such creation was not made, conceived or developed before commencement of my Engagement with the Company. I agree to notify the Company in writing before I make any disclosure to, or perform any work on behalf of, the Company that appears to conflict with

proprietary rights I claim in any Prior Creation. If I fail to give such notice, I agree that I will make no claim against the Company with respect to any such Prior Creation. I further agree: (i) not to incorporate any Prior Creations into any Creations or otherwise utilize such Prior Creations in the course of my Engagement with the Company without the Company's prior written consent; (ii) that, if any Prior Creations are incorporated into any Creations, then the Company is hereby granted a nonexclusive, royalty-free, perpetual, irrevocable, transferable, worldwide license (with the right to grant and authorize sublicenses) to make, have made, use, import, offer for sale, sell, reproduce, distribute, modify, adapt, prepare derivative works of, display, perform and otherwise exploit such Prior Creations without restriction, including, without limitation, as part of or in connection with any Creations, and to practice any method related thereto; (iii) not to incorporate any works of authorship, ideas, processes, technology, formulas, software programs, writings, designs, discoveries, modifications, improvements, other creations or other proprietary information or intellectual property rights owned by any third party (collectively, "**Third Party Creations**") into any Creations without the Company's prior written consent; and (iv) that, if I incorporate any Third Party Creations into any Creations, then, to the extent that I have any right, title and interest in or to such Third Party Creations, the Company is hereby granted, to the full extent of such right, title and interest, a nonexclusive, royalty-free, perpetual, irrevocable, transferable, worldwide license (with the right to grant and authorize sublicenses) to make, have made, use, import, offer for sale, sell, reproduce, distribute, modify, adapt, prepare derivative works of, display, perform and otherwise exploit such Third Party Creations without restriction, including, without limitation, as part of or in connection with any Creations, and to practice any method related thereto.

8. Confidential Information of Others. I will not use, disclose to the Company or induce the Company to use any confidential, proprietary or trade secret information or material belonging to others which comes into my knowledge or possession at any time, nor will I use any such information or material in the course of my Engagement with the Company. Except as disclosed on Exhibit C to this Agreement, I have no other agreements or relationships with or commitments to any other person or entity that conflict with my obligations to the Company as an employee, director, officer and/or consultant of the Company or under this Agreement, and I represent that my Engagement will not require me to violate any obligation to or confidence with another. In the event I believe that my work at the Company would make it difficult for me not to disclose to the Company any confidential, proprietary or trade secret information or materials belonging to others, I will immediately inform the Company's Chief Executive Officer, President, Chief Financial Officer or Secretary. I have not entered into, and I agree I will not enter into, any oral or written agreement in conflict with this Agreement.

9. Other Obligations. I acknowledge that the Company from time to time may have agreements with other persons or entities, including the United States government or agents thereof, which impose obligations or restrictions on the Company regarding inventions made during the course of work thereunder or regarding the confidential nature of such work. I agree to be bound by all such obligations and restrictions of the Company under such agreements.

10. Conflicting Employment. During my Engagement with the Company, I will not engage in any other employment or activity relating to the business in which the Company is now or may hereafter become engaged, or which would otherwise conflict with my obligations to the Company, without the prior written consent of the Company.

11. Employee and Service Provider Relationships. I acknowledge that the Company's relationships with its employees, consultants, and service providers are valuable business assets. I agree that, during my Engagement and for two (2) years thereafter, I will not (for myself or for any third party) divert or attempt to divert from the Company any consultant, employee or service provider, through solicitation or otherwise.

12. Business Relationships. I acknowledge that the Company's relationships with its customers and vendors are valuable business assets. I agree that I will not use any Proprietary Information (for myself or for any third party) to divert or attempt to divert from the Company any business, customer or vendor, through solicitation or otherwise.

13. Remedies. I recognize that nothing in this Agreement is intended to limit any remedy of the Company under the applicable state Uniform Trade Secrets Act (or the corresponding provisions of applicable law), and that I could face possible criminal and civil actions resulting in imprisonment and substantial monetary liability if I misappropriate the Company's trade secrets. In addition, I acknowledge that it may be extremely difficult to measure

in money the damage to the Company of any failure by me to comply with this Agreement, that the restrictions and obligations under this Agreement are material, and that, in the event of any failure, the Company could suffer irreparable harm and significant injury and may not have an adequate remedy at law or in damages. Therefore, I agree that if I breach any provision of this Agreement, the Company will be entitled to the issuance of an injunction or other restraining order or to the enforcement of other equitable remedies against me to compel performance of the terms of this Agreement without the necessity of showing or proving it has sustained any actual damage. This will be in addition to any other remedies available to the Company in law or equity.

14. Waiver of Limitations. I waive the benefit of any statute of limitations affecting my liability under this Agreement or the enforcement of the Agreement to the full extent permitted by law.

15. No Waiver by Conduct or Prior Waiver. A party's delay, failure or waiver of any right or remedy under this Agreement will not impair, preclude, cancel, waive or otherwise affect such right or remedy or any subsequent rights or remedies that may arise.

16. Defend Trade Secrets Act. The Defend Trade Secret Act (18 U.S.C. § 1833(b)) states: "An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that – (A) is made – (i) in confidence to a Federal, State or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal." Accordingly, I acknowledge that I have the right to: (a) disclose in confidence trade secrets of Company to federal, state and local government officials, or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law in accordance with 18 U.S.C. § 1833(b); and (b) disclose trade secrets of Company in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal and protected from public disclosure in accordance with 18 U.S.C. § 1833(b). Nothing in this Agreement is intended to conflict with 18 U.S.C. § 1833(b) or create liability for disclosures of trade secrets that are expressly allowed and made in accordance with 18 U.S.C. § 1833(b).

17. General Provisions. This Agreement constitutes the entire agreement between the Company and me relating generally to the same subject matter, replaces any existing agreement entered into by me and the Company relating generally to the same subject matter, and may not be changed or modified, in whole or in part, except by written supplemental agreement signed by me and the Company. I agree that any subsequent change in my duties or compensation will not affect the validity or scope of this Agreement. If any provision of this Agreement is held invalid or unenforceable, the remainder of this Agreement will not fail on account thereof but will otherwise remain in full force and effect. If any obligation in this Agreement is held to be too broad to be enforced, it will be construed to be enforceable to the full extent permitted by law. The obligations of this Agreement will continue beyond the termination of my Engagement and will be binding upon my heirs, executors, assigns, administrators, legal representatives and other successors in interest. This Agreement will inure to the benefit of the Company, its successors, assigns and affiliates. This Agreement will be governed by and construed in accordance with the laws of the State of California, without giving effect to its conflict of law rules. This Agreement may be signed in two counterparts, each of which will be deemed an original and both of which will constitute one agreement.

I ACKNOWLEDGE THAT I HAVE READ AND THAT I UNDERSTAND ALL THE PROVISIONS OF THIS AGREEMENT, A COPY OF WHICH HAS BEEN DELIVERED TO ME. BY SIGNING THIS DOCUMENT, I AGREE TO BE BOUND BY ALL OF ITS TERMS, EFFECTIVE AS OF AUGUST 19, 2026.
